

FOR IMMEDIATE RELEASE

BMR Fabrication Front Suspension Bushing Kit for Pontiac G8

Maintain correct suspension alignment and improve overall handling in your Pontiac G8 with a Front Suspension Bushing Kit from BMR Fabrication. Manufactured from low-deflection polyurethane, this kit consists of the steering rack mount (BK008), lower control arm bushings (BK009), front radius rod bushings (BK010), and front strut mount bushings (BK011). The BMR Front Suspension Bushing Kit (BK012) minimizes alignment-altering bushing deflection in all front suspension links. Reduced bushing movement ensures proper camber, caster, and toe settings producing more consistent and predictable handling abilities. Available in black.

To preview all of BMR's high-performance suspension parts, please visit www.bmrfabrication.com, email sales@bmrfabrication.com, or contact them at BMR Fabrication, 12581 US Highway 301 North, Thonotosassa, FL 33592, 813-986-9302, Fax: 813-986-8055.
